1.3. Résumé des interviews

L'interview sur la saison 1 de Perfect Match réunit d'un côté les filles, de l'autre les garçons et pendant 8 minutes, tous parlent brièvement de leur expérience au sein de l'émission. La présentatrice a parlé des expériences de dating pour chaque candidats mais lorsque se fut au tour d' Anne-Sophie de parler, la présentatrice n'a pas pu s'empêcher de parler de son expérience de dating sans mentionner sa couleur de peau et les candidates qui lui ressemblent.

“Anne-Sophie, I gotta be honest, watching the show I felt like you and a lot of women of color came to the game kind of didn't get a chance to really like show everything that you had and get a shot at it and I was wondering how you felt in the house ?”

Dans la réponse d'Anne-Sophie, on sent que le fait d'être une femme noire a beaucoup impacté son expérience de dating, où elle confie ne pas avoir eu l'impresion d'être vu et avoir été victimes des stigmatisations que l'on fait autour des femmes noires.

“I'm not going to lie I did have a moment where I kinda broke down, I'm not sure if it's shown but there is a moment where I thought myself like [Oh my God I don't think... I don't feel seen and I think that it may be because not everyone in the house were open-minded maybe they came with previous stigmas of what, I don't know, dating a black woman might be like but either way I feel like I didn't feel seen and you know it's sucks but you know you learn”

Questionnement (voir comment je peux lier ça à la théorie)

J'ai trouvé cela étrange que la question concernant Anne-Sophie, qui est une femme racisée tourne autant autour de sa couleur de peau et les stéréotypes auquel elle a pu faire face en tant que femme noire, sachant que Dom, seul homme noir dans l'interview, n'a pas eu de questions à ce propos. Je me suis demandé si ce type de stigmatisation avait été perpétué durant la saison 2. Etant donné qu'il y a beaucoup de podcast et interviews sur les candidats de la saison 2 de Perfect Match, je me suis donc mise à les regarder afin de voir si il y avait une discrimination en terme de dating, qui était touché par cette discrimination et si l'on pouvait généraliser cette problématique dans l'émission Perfect Match.

1.3.1. Savannah (Perfect Match saison 1)

00:03:18

“I had seen a lot of potential in this show and I was genuinely there to make really awesome connections with people”

00:03:27

"I do such a terrible job dating outside of, you know, reality tv and outside of my own normal, you know, influencer life that sometimes you think 'well maybe need a lil kick in the ass, maybe I need TV show me something that I'm missing so I was really excited to be on the show, I am sad to have left so early"

00:13:19

"No he didn't give me a fair chance. I didn't know it's because Dom doesn't like women who look like me although I deed see him looking at me a lot which is why I thought about going up to him. You know when a guy is interested in you because he won't stop looking"

00:13:33

"I think a lot of it maybe had to do with his loyalty I don't even think it had anything to do with her or me, who we are, what we look like I think he was just more focus on being loyal"

00:15:20

"Personally I just wish that we could have kept chaos on television and not make up lies about each other to gain more publicity because we weren't happy with our edit"

00:19:25

"I wasn't gonna let Francesca try to bully me at the end of the day I was not trying to be a homewrecker I was just trying to do what I was supposed to do which is talk to everyone which everyone was doing including her so it was very telling when she decided to attack me"

00:20:28

"I had a whole relationship with Zay that did not get shown.",

00:20:48

"If I had to say one person that was done wrong on Perfect Match after me it was Anne-Sophie"

00:21:03

"People are mad at her for not choosing Calvin or Zay but what they didn't see is this whole relationship with me and how he was ignoring her and only wanted to match with me"

Conclusion des premiers retours de terrain

- Dans les interviews, on voit que les présentateurs extérieurs à l'émission partagent aussi leur expérience de dating avec le candidat interviewé quand ils s'entendent bien. Quand les deux partagent les mêmes origines, on voit une identification qui se fait naturellement. (Alara et sa présentatrice ou encore Dominique et la sienne)
- Cela reste un show télévisé ! Il y a donc beaucoup de scène coupées au montage ne portraying donc pas correctement l'expérience de dating vécu par les candidats
- Toute l'expérience de dating est également biaisée étant donné que certaines personnes ne sont là que pour le chèque et d'autres tentent de créer la zizanie afin

de rentrer dans l'aventure. Tout cela compromet l'expérience du dating et ne permet pas de créer des connexions sincères et durables, à tel point que les candidats eux-mêmes ne savent plus distinguer le vrai du faux.

- Les hommes castés pour l'émission n'étaient pas sérieusement à la recherche de l'amour et ce, quelque soit le physique des participants.
- Ces shows n'affectent pas seulement la perception que le public se fait de lui-même mais également celle que les candidats se font d'eux même. Après avoir été acteurs, ils deviennent spectateurs de leur propre expérience.
- Ils semblerait que les gens soient castés afin d'avoir une certaine diversité dans l'émission (des personnes africaines/afro-américaines, asiatiques, européennes, et des bisexuels) mais sans leur donner les moyens de s'épanouir au sein de l'émission (Tolù qui n'est l'idéal féminin de personne, Dominique qui n'a pas le droit de vivre sa relation)
- Il y a bien des profils qui plaisent plus que d'autres et de la discrimination en termes de dating dans Perfect Match. Mais attention personne de couleur ne veut pas dire personne pas attirante ! Dominique en est la preuve.

1.3.2. Tolù (Perfect Match saison 2)

Point 1

Tolù parle de la représentation négative qu'elle n'a pas envie de renvoyer aux petites filles noires qui lui ressemblent. Quand bien même c'est pour ces mêmes petites filles qu'elle est allée jusqu'au bout de cette aventure (sous les conseils de la production).

"I don't want little black girls or little brown girls that look like me to look at the TV and see themselves in me and see themselves constantly being picked last."

- Tolù, *Perfect Match* saison 2

Point 2

Lorsque l'intervieweuse fait référence à Chris, son partenaire principal dans l'émission, Tolù insiste fortement sur le fait qu'il n'était qu'un match et non une personne avec qui elle était en couple. On la sent très catégorique à ce sujet, comme si elle avait besoin de se défendre. Elle emploiera le même ton lorsqu'on lui demandera si elle a eu des relations sexuelles avec Chris.

Tolù témoigne d'un certain mal-être dans l'émission. En effet, elle a confié à la production vouloir s'en aller en voyant le manque d'intérêt des candidats vis-à-vis d'elle dans l'émission. Elle évoque d'ailleurs avec humour son crâne rasé ***"yall got my black bald ass in here"*** cette évocation, bien que humoristique n'est pas innocente, le crâne rasé n'étant pas la préférence des hommes selon ses observations.

"Yall I want to leave, I don't wanna be here anymore"

“I don’t want to match with any of these men. You put me in a house with 11 men, 0 whom genuinely have interest or attraction in me, yall got my black bald ass in here”

Point 3

En plus d'affirmer qu'elle n'était au goût de personne dans l'émission, Tolù dit les mots suivants ***“My beauty is for the female gaze”*** affirmant que sa beauté touchait principalement les femmes et que c'était les seules à réellement la soutenir tout au long de l'aventure. On peut entrevoir ici que Tolù n'étant pas favorisée par les standards de beauté a tout de même pu profiter d'une solidarité féminine provenant des autres candidates.

Point 4

Tolù parle de cette impression d'être pris au piège. Assurant que dans la vraie vie, elle n'aurait pas perdu de temps avec une personne pas intéressée par elle. Elle parle aussi du fait qu'elle en soit venu à questionner sa personne.

“Imagine being in a bubble for 4 weeks where you’re constantly the last option. Not even the second choice, the eleventh choice and there is no escape for you, you have to continue. Like in the real world if a dude treats me nasty and dirty, baby, I’m gone !”

Il lui a fallu un moment à Tolù pour retrouver confiance en se disant des mots d'affirmations au quotidien. L'émission a donc eu un gros impact sur sa confiance en elle et la perception qu'elle se fait de sa personne.

“After living that experience I did have a moment where I started to doubt myself like am I really beautiful ? Cause it’s so easy for your ego and your self-confidence to take a hit being in for weeks of a experience where you just constantly have men basically look at you as the last option if even that”

Lorsqu'elle se décrit elle-même, au delà de l'émission Tolù se décrit comme une personne avec un gros cerveau “big character energy” et très fun.

Point 5

Tolù parle du fait que après l'émission son match a parlé d'avenir avec elle en répétant à plusieurs reprises “I really liked you” puis finalement l'a laissé sans réponse par message pendant 4 jours. Montrant un manque d'implication de sa part.

Point 6

Tolù parle de ses préférences en termes d'hommes en termes de physique et de caractère.

“I love dark features like black hair, black eyes, good teeth”

“I want a man that is caring”

La présentatrice parle également du fait que parfois la meilleure des choses à faire est d'aller à l'encontre de son type, chose avec laquelle Tolù est d'accord.

“We do have types and going against your type is sometimes the best thing you can do”

Point 7

Le deuxième match de Tolù était Dom. Un homme noir. Mais même avec lui, Tolù ne se sentait pas à l'aise, ayant l'impression d'être trop excentrique.

“When I match with Dom I constantly felt like I think I’m too much, I need to be less. I hated being in that space where I was questioning myself because like, my personality is core to who I am.”

Point 8

Tolù parle de ce que Perfect Match lui a appris et en quoi cela lui a été bénéfique.

“I don’t regret what happened in the show because I feel like I walk away with so many lessons. I walk away with a lot more clarity as who I am and who I want to give the privilege to be in my space and in my space”

Point 9

Tolù parle du fait qu'elle mettait fortement en question la sincérité des garçons dans l'aventure et les confrontait régulièrement à ce propos tandis que ceux-ci se justifiait. Mais tout ça a été coupé au montage, donnant l'impression qu'elle courait après des hommes montrant clairement aucun intérêt pour elle.

“The boys were coming to me and be like [Tolù you’re right, I’m so sorry, I really like you, I’m genuinely interested in you, I want to continue to pursue this connection] They cut all that off !”

Point 10

Lors de l'interview, la présentatrice et Tolù sont d'accord que la femme ayant été le plus prisée par les hommes était Alara.

“The male gaze was all about Alara”

Observations des commentaires

En regardant les commentaires sous la vidéo je me suis rendue compte que certaines personnes n'ont pas approuvé les commentaires de l'animatrice.

Questionnement (voir comment je peux lier ça à la théorie)

Est-ce culturel ? Est-ce qu'elle se montre empathique sans réellement pouvoir comprendre car en tant que femme blanche au cheveux longs elle n'a pas eu les mêmes expériences ?

Avant de l'interview, les deux présentatrices qui sont Nathalie et Deepti, participantes de la saison 2 de "Love is Blind" parlait de leurs expériences de dating et, par ricochet, on peut voir que les abonnés ont fait de même !

Dans cette vidéo Tolù revient sur le fait que Kaz, un candidat de l'émission, était son premier choix mais cela n'a pas abouti étant donné qu'elle n'était pas son type. Même Izzy avec qui elle a matché, était un match par défaut.

Dans cette interview, Deepti et Nathalie sont en retrait par rapport à ce que Tolù explique. Il n'y a pas d'identification à sa situation, pas de commentaires, uniquement des questions et une écoute active.

1.3.3. Kaz (Perfect Match saison 2)

Voici une interview de Kaz, autre candidat de Perfect Match saison 2. Kaz a fait sensation dans l'émission, attirant le regard de plusieurs candidates, cependant après un premier match avec l'une d'entre elle (Xhanti), il matche finalement avec Micah, personne avec qui il restera jusqu'à la fin de l'aventure. Les autres candidats ainsi que les internautes ont reproché à ce dernier de ne pas s'impliquer dans sa relation avec Micah et de vouloir explorer ses autres connexions. Kaz revient sur son aventure et la pression subie, lors de son interview. Il blâme à certains moments le montage, montrant des scènes où il est réceptif aux avances qu'on lui fait alors que ce n'était pas forcément le cas dans la vraie vie.

Point 1

Kaz parle de l'impression qu'il donne lorsqu'il rentre dans une pièce.

"When people talk to me there is difference like that I'm quite arrogant, I'm like walking to somewhere into the room, I don't mean to through it but that's the aura that I gave off"

Tout au long de l'interview, la personne qui pose les questions reste agréable mais n'a pas hésité à poser les questions qui fâchent, poussant Kaz à reconnaître certains petits mensonges ou remarques faites sans langue de bois.

Kaz : "He's not a male alpha"

Présentateur : "Do you think Nigel deserve an apology ?"

Présentateur : "You basically lie ! Who were you lying to ?"

Point 2

Kaz parle de son envie de partir à un certain moment de l'aventure, envie qu'il a également confiée à la production. Les changements de couple, la pression de trouver un match était tel qu'il ne savait plus distinguer le vrai du faux.

"I wanted to leave at some point"

"It was everything so intense in there, it was to a point that you don't know what is true and what is fake and what is actually going on"

Point 3

Kaz nous parle de son type de femmes, décrivant d'une part une femme plus petite que lui avec des formes ou, d'autre part, d'une femme avec des beaux yeux, beau sourire, et des beaux traits peu importe qu'elle soit blonde, brune ou rose.

"I've got different types"

"I would go for girls who are a little bit shorter than me"

"a girl with a little more curves, with a little more meat on her bones that's type of things is kinda what I go for"

"They could have an option of like eyes. If you have really nice eyes that just pop out, nice smile, nice teeth and you got cute features that's my type you could be blond, pink brunette or whatever"

Point 4

A la fin de l'interview, Kaz confie qu'il a appris de sa relation avec Micah et qu'il apprend encore actuellement à mieux communiquer ses sentiments, chose qu'il ne fait pas naturellement.

"There is always lessons to be learn in a relationship, even myself. I'm still learning how to communicate"

"It's been a long process for me in terms of communicating my feelings because I don't genuinely communicate my feelings"

Kaz évoque à un moment donné son frère jumeau qui lui a déjà fait remarquer le fait qu'il exprimait peu ses émotions.

"My brother knows it as well. He's like [You're like a robot, you don't really express much you don't talk about it, you don't say very much about it]"

Point 5

Le commentateur parle du fait que Kaz a eu pas mal de backlash, c'est-à-dire des retours négatifs, suite au show sur les réseaux sociaux. Il demande alors à Kaz comment il se sent par rapport à la perception que le public avait de lui dans l'émission, chose à laquelle il répond qu'il a fait certaines choses qui ont été perçues comme autre que ce qu'elles étaient réellement. Il évoque aussi le fait que les réactions étaient plutôt mixtes, certains disant qu'il

avait dit ce qu'il avait à dire et d'autres le trouvant trash, mais maintient le fait que chacun est libre d'avoir son opinion.

Observations des commentaires

En regardant les commentaires sous cette interview, les téléspectateurs semblent finalement être du côté de Kaz. Affirmant qu'il a été honnête depuis le début de l'émission et qu'il n'a rien fait de mal. Cette interview vient renforcer ce positionnement vis-à-vis du candidat.

Questionnement (voir comment je peux lier ça à la théorie)

Au vu du type de femmes que Kaz décrit il aurait très bien pu être attiré par Tolù. Pourquoi est ce que celle-ci assure qu'elle n'était pas son type de femme ?

On voit également que son discours est hésitant. Il se perd dans ces paroles et parfois ne répond pas directement aux questions qui lui sont posées.

1.3.4. Micah (Perfect Match saison 2)

Point 1

Micah parle également du fait que son premier réflexe dans le monde extérieur aurait été de passer à autre chose en voyant que Kaz n'était pas prêt à explorer leur connexion. Mais dans cette situation où elle n'était intéressée par personne d'autre, elle l'appréciait et voulait juste continuer avec lui.

Questionnement (voir comment je peux lier ça à la théorie)

Ici je remarque que contrairement à Tolù qui disait n'intéresser personne ici, c'est elle qui n'est pas intéressée par d'autres personnes.

1.3.5. Christine (Perfect Match saison 2)

Christine affirme qu'elle a eu dès le départ la position de la briseuse de ménage. (La production laissant penser qu'elle avait eu des relations sexuelles avec l'un des participants...)

Elle affirme également dans l'aventure que Chris trouvait que Xhanti était son type de femmes alors que Tolù ne l'était pas, l'accusant d'utiliser des femmes noires et surtout foncées de peau pour avoir plus de temps à l'écran.

Son témoignage reste pertinent étant donné qu'elle montre des scènes coupées au montage de l'émission.

Quant à son expérience, elle ne voyait pas Kaz son premier match comme un partenaire potentiel mais plutôt comme quelqu'un qu'elle pouvait "utiliser" pour aller plus loin dans l'aventure.

"I felt like because people were making this pact I was robbed of the opportunity to go in and just to fully be able to find somebody."

"You have me coming in as a bombshell which is already bad on his own because it's like okay, I know I have the position to steal somebody's man I have to break a relationship. If I succeed would I have the opportunity to find somebody out of love ?"

"I didn't even want to be in that type of sexual kinda vibe because it was like my THTH kinda version, I didn't that to be like who I was portrayed at on Perfect Match but the conversation started and I was like let me just play my role"

"I did feel like I was robbed of my experience in the house"

One thing that I don't play about is people using black women, especially dark skin women for screen time. It's disgusting"

'He wasn't my perfect match or someone I was going to end my life with or anytime serious but he was the only person that I would have been able to use, I know it sounds bad, to get in the house, but that's just what it is"

"I'm not stupid, I'm not born yesterday like I know I wasn't his cast type but I was just really really happy that I finally made it in the house, that I had a little bit of an experience"

Observations des commentaires

Dans l'interview, Christine confronte tout le monde et les téléspectateurs se rangent de son côté montrant du désaccord vis-à-vis du comportement d'autres candidats comme Chris, Kaz, Dom ou encore Micah.

1.3.6. Alara (Perfect Match saison 2)

Durant l'interview, la présentatrice raconte aussi à un moment son expérience amoureuse et on voit qu'elle et Alara partagent une bonne complicité.

Point 1

Quand bien même sa relation avec Stevan n'a pas marché, Alara confie qu'il l'a traité comme une princesse tout du long, lui montrant ce qu'elle méritait de vivre dans la vraie vie.

"I appreciate him because he raises my standards. He treated me like a princess in the show. And it kinda showed me what I deserve in the real world"

“But I’m happy I dodged the bullet cause he was definitely a bullet”

Point 2

On sait également que Alara préfère les hommes noirs aux hommes blancs. Elle en a parlé dans le show. Quand bien même elle a donné sa chance à Steven qui est un homme blanc et blond aux yeux bleus elle ne le referait pas à l’avenir.

“First white boys yeah. Never going back again”

“In the show he knew he lives in LA and I live in the U. What did he think ? And why wasn’t he transparent with me in the show ?”

1.3.7. Stevan (Perfect Match saison 2)

Point 1

Stevan parle du fait qu’il ne voulait pas refaire d’émissions de télé-réalité. C’est la production qui l’a approché et convaincu de le faire.

“They reached out to me and I said I would never do like another reality show again and they pretty much convinced me and said that [we think that you could do well on this]”

Il parle du fait de ne pas prendre cela trop au sérieux car cela reste une télé-réalité.

Point 2

Stevan justifie ne pas avoir pris les choses trop au sérieux dans l’émission car selon lui cela reste un show télévisé et des vacances. Mais il peut comprendre que pour d’autres ce soit plus dur à considérer.

“It’s a reality dating show, it’s not like we are in our sixties and you really learn in life and you’re involved. We are on vacation for a month. And you are just going to watch us being on vacation and do stupid things”

Point

Les garçons pointent également du doigt le fait que Perfect Match réunit des personnes de différents pays, là où Love is Blind concentre chaque saison sur une ville. Il est plus facile de se projeter avec quelqu’un dans sa ville que une personne dans un autre pays.

Observations des commentaires

Lorsqu’on regarde les commentaires l’audience n’est pas d’accord avec le point de vue de Stefan.

Questionnement (voir comment je peux lier ça à la théorie)

On est dans une télé-réalité où les gens créent des liens au bout de 3 semaines et c'est difficile de le maintenir mais n'est ce pas aussi ce qu'on fait dans la vraie vie ? Avec les sites de rencontre, le zapping, etc la télé-réalité n'est elle pas juste une continuité de ce qui se passe dans la vie réelle ? Car si les gens regardent et s'identifient c'est que cela y correspond.

Lorsqu'on l'interroge sur le pourquoi du comment ça n'a pas marché avec Alara, Stevan parle de son emploi du temps chargé ainsi que de la distance entre eux, lui vivant aux États Unis et elle à Chypre. Il affirme également que c'est le genre de détails auxquels on ne pense pas dans l'émission.

“She is a great girl but I feel like I was in so much stressful mindset, trying to figure out my businesses and my lifestyle in general, I just had to back away”

Quand on demande à Stefan si il a des regrets Ely des choses qu'il aurait pu faire autrement, il avoue qu'il aurait pu mieux communiquer avec Alara sur sa problématique mais affirme avoir tenté de communiquer à Alara son envie d'attendre la fin du show afin de voir si leur relation était concrète

« Yeah i think I definitely could have communicated better. I do think I tried to communicate [let's wait till end of the show]”

“ Realistically you see those people become boyfriends and girlfriend in three weeks and getting to know each other to a tv show and then 30 minutes after filming, it stopped, they get their phones back and they break up”

Harry, le présentateur qui a également participé à la saison 2 de perfect match insiste sur la difficulté d'entretenir une connexion sincère avec des personnes qu'on a appris à connaître en si peu de temps

« It's tough to go there and see yourself and people are like... Obviously the emotions are real, you have real feeling but at the end of the day, it's also a TV show, we are paid to be there”

1.3.8. Harry (Perfect Match saison 2)

Dans l'interview Harry revient sur le comportement des garçons et leur manque de sérieux au sein de l'émission justifiant cela en rappelant que le but de Netflix est de faire une émission à succès qui rapporte de l'argent.

00:13:43

“At the end of the day this is a motherfucking TV show Netflix is a business, they need to have drama to make more business and make more money, it is what it is”

00:14:13

“Why would we be rewarded to be loyal on a dating show where they want you to match with people ? It’s not loyalty Island it’s Perfect match like they want you to be matching with people”

00:14:19

“It’s not real life it’s business”

00:14:33

“There is some thing that may explain why boys acted the way they did”

00:14:41

“I should have hold things differently, I should have had the full thought on who this would hurt”

1.3.9. Dom (Perfect Match saison 1 et 2)

Dom fait son apparition dans la suite du podcast de Harry.

00:41:44

“It is a strategy game, there is a winner at the end of this, there’s winners and there’s losers it’s not ‘Love is Blind’”

Point 2

Lorsque Harry interroge Dom sur ce qui s’est passé avec Tolù, il explique simplement que malgré le temps passé ensemble il n’y avait pas d’alchimie entre les deux. Le fait de revenir dans un show en tant que personne introvertie était également challengent pour lui

00:50:10

« We spend some time and it’s just the chemistry wasn’t there and I feel like I was honest the whole time, I repeatedly said ‘You know I wanna explore other options I wanna date around, it’s a dating show I wanna date people’»

00:50:23

“When you take what happened to the show and apply to the real life it’s like I met somebody on the show I went on a date with them it didn’t work out and I tied my best to not hurt that person let them down in the best scenario possible”

00:50:48

***“You know who I am I’m an introvert, I’m a quiet person you know what I mean and I think anybody on the cast would if you asked them to describe me, be like ‘Ah Dom’s quiet is like really hard to figure out”*”**

00:52:40

« I was there for 2 days and you know, with Tolù, you see on the show that it’s like ‘oh he’s so cold’ or whatever but I was just distant. And I was distant because like we just didn’t have like the same personalities »

Point 3

Dom parle aussi du fait que le public et les candidats n’ont pas la même perception du show.

L’émission et les mises en scène sont faites pour romantiser l’émission et nous pousser à ressentir certains sentiments en la regardant.

01:01:46

« There is a lot more emotional attachment from a viewer standpoint because there is like this dramatic music and cameras around, all emotions are highlighted, but like in the real world it’s not that serious»

1.4. Dominique (Perfect Match saison 2)

Dans cette interview on parle de l’expérience de Dominique en tant que femme bisexuelle et la manière dont sa bisexualité a été fétichisée et la réalité des femmes de couleur dans les shows télévisés. Dans le podcast, la présentatrice affirme aimer interroger des personnes qui ont été négligées ou sous-estimé.

Point 1

Lors du casting, Dominique a mentionné le fait qu’elle était bisexuelle demandant si cela était un problème. Et la production l’a rassuré en disant que ce n’était pas juste une émission pour les hétéros. Elle y est donc allée tout en assumant sa bisexualité et était étonnée de se retrouver dans une émission pour personnes hétérosexuelles. Elle n’a pas senti qu’on la traitait comme les autres et c’est la première fois qu’elle ressentait ça.

00:11:00

“I was like, Oh my God, everyone is straight, and the girl I walked out with, Brittain which we, at the time thought was totally intentional, there were only bisexual people in her season. It was not intentional”

00:11:25

“I threaten to go home, I was like I don’t even know why I am here”

00:11:35

"It was just not treat it the same as other couples, we were not allowed to sleep in bed together I cried a lot because of that"

00:11:40

"Cause it was just so annoyed I was like [you told me it wasn't a straight dating show, I'm dating these men who are like not even dating... 8 years older than me]"

00:11:54

"It was like a very weird situation cause it's like I thought we were supposed to be with someone we like, I found someone I like but we aren't allowed to be together. It was really frustrating so I cried a lot"

00:13:25

I just feel like it was really hard to awakening that my sexuality and realized that [you are not going to be treated the same way as others people], now it's like the first time I felt that"

Point 2

La présentatrice parle du fait qu'elle a pu observer dans plusieurs télé réalités que les femmes asiatiques n'allaient pas vraiment jusqu'au bout de l'aventure comme si elles n'étaient pas considérées comme désirable. Elle a donc demandé à Dominique qu'elle était son ressenti par rapport à ça. Voici sa réponse.

00:19:02

"Personally I've not felt that. Like I always felt like there were guys who were interested in me also there is always like a girl I like"

00:19:19

"I definitely watch a lot of people struggle with it but for me I haven't really felt like I was in a position where I was like nobody wants to get to know me but I have seen it and obviously we know what it is."

Point 3

Dominique a également parlé des propos choquants que certains candidats tenaient vis-à-vis des femmes de couleur. La présentatrice a d'ailleurs relevé que c'était un réel problème que ces choses ne soient pas montrées à la caméra.

00:21:16

"I heard they were guys who called the black girls monkeys"

00:21:20

"On To hot to handle on my season there was a guy who said that he wouldn't get with a girl who is darker than I was"

00:21:27

“And they have this conversation with us, they tell us that but they wouldn’t tell a white woman that, they would say to a white woman ‘I can’t be with someone darker than you’”

Dominique a beaucoup pleuré à cause sa relation non assumée et l’a fait passé pour la fille qui pleurait beaucoup car elle aime ce qui est toxique. En revenant sur cette malinterprétation Dominique se rappelle d’un conseil qui lui a été donné en tant que femme de couleur dans le show.

00:21:33

“People in the past were like this is never going to be like do not give a reaction, do not cry, do not give anything. They were like ‘we don’t know what they gonna put in’ but especially the women of colour were like ‘Do not give the camera anything because you have no idea what they are gonna put on the show’”

Point 4

Dominique parle de ce que la production a laissé percevoir d’elle durant l’émission. Elle confie s’être sentie utilisée pour jouer la bimbo alors qu’elle est bien plus que ça. Elle a également conscience que son profil, assez divers, plaît sur le papier mais n’est pas simple à gérer dans la réalité.

00:27:37

“I felt used like for my face and like what I represent, being philipinan, dominican, being like bisexual, being a woman... I feel like all those things were desirable on paper but when you it actually put to reality now you don’t want it”

00:29:34

“I feel like you just make me into a bimbo for no reason like yah I’m cute, I’m bubble but I’m also like smart and I have things to say and I have a voice and I felt like it was completely taken away”

1.4.1. Elys (Perfect Match saison 2)

Dans cette interview, le présentateur questionne Elys sur ses différents matchs, le premier, Harry, pur produit de l’émission.

On remarque dans cette interview que la discussion tourne autour de certains candidats de l’émission, on observe également que le présentateur parle bien plus que Elys, au point où ils ne parlent pas réellement de leur expérience mais font plutôt une analyse du comportement des candidats dans l’émission. Quand Elys s’exprime, elle le fait avec beaucoup de recul et reste en surface. On comprend donc que tous ses choix et agissements dans l’émission ne nécessitent pas forcément une explication pour elle.

Dans cette interview, Elys revient sur le comportement problématique de Harry, un de ces anciens matchs ainsi que la perception des choses un peu biaisée lorsqu'on participe à cet aventure. Elle revient sur la notion du temps qui n'est pas la même pour les candidats et le public ainsi que les éléments perçues comme réels.

1:42:30

"I could just see straight through the bullshit, I could see it in his eyes just everything to me was just screaming 'I don't trust this guy' even if I was taking my time with everything"

1:45:42

"It looks like 3 days but it's actually like 7 or 8 days which sound ridiculous I know but when you're in that environment it feels so real"

1:46:17

"From the very beginning, like the very first night in my head it was Bryton or Harry there were my two kind of pic"

Dans son discours on sent que Elys a toujours eu la possibilité de faire ses propres choix dans l'émission, quitte à se diriger vers les candidats problématiques en pleine conscience Et cela ne l'a pas affecté pour autant. Cette liberté de choix assumée fait d'elle une personnage du type émancipateur.

1.4.2. Justin (Perfect Match saison 2)

Dans cette interview, on en découvre un peu plus sur le processus de recrutement des candidats. Justin nous parle du sérieux de la production concernant le processus de recrutement et la constitution anticipée des matchs.

11:36

"Went through a whole series of interviews" "I remember it was super long but it like a 160 questions" "All about what your relationships types were who you were in a relationship with, what you're waiting for, your morales, ideas likes all the things about you"

12:38

"Talking to the lead producer on the show thinking like 'you guys take this pretty seriously"

12:57

"I thought it was silly TV at first no I'm like it's go time baby"

14:17

"They were like predetermined perfect match"

14:46

"She told me that my perfect match was Elys like Elys was the person on top of my list"

"I'm like 'okay good like that was my person, I walked off making the right decision and I wasn't going to settle'"

51:08

"Things got too serious too quickly right and I understand it might be perceived as love bombing but i feel it was just me trying to show my affection because I spoke about it before how I've had the biggest issues surrounding my emotional vulnerability" and telling people that I appreciate them"

54:27

"I just wanna make sure that there is interest. If you want to explore something else go for it, do it but please give me a heads up. If my perfect match is here and you know it's just me and you trying to exercise this relationship an it's not necessarily working, I want you to tell me"

54:59

"All I wanted what transparency at the end of the day, effective communication and that's why it kinda sucks at the end because I did feel like I got blindsided"

1.4.3. Melinda (Perfect Match saison 2)

00:00:59

"He just a manipulative liar, compulsive liar, wasn't really in it for the right reasons, was definitely giving clout chaser and wasn't being genuine to his date"

00:04:32

"You cannot get rid of me. Like I have that personality that people can related to and I love just being my authentic self. I'm definitely going to do more reality TV but it will not be dating. I am done with romance"

00:05:51

"To the viewers out there looking from the outside in , do not believe everything you see okay. Again it's reality tv everyone know what it is doing and I'm just a girl"

00:06:11

"We all make mistakes, don't let this reality tv stuff get to your head I'am a human being with feelings"

1.4.4. Nigel (Perfect Match saison 2)

Dans une brève interview Nigel parle des stratégies ayant été montées contre lui dans l'émission et fait une mise à jour sur sa relation avec Christine. Il ârle également de la possibilité de faire la saison 3 de Perfect Match.

00:01:15

"They made a pact for anybody new to come in the house to not really succeed with the match so they had their game plan going on"

00:05:20

"I just need some time because season 2 was a lot"

00:05:33

"It's not a yes or a no. Time will tell with it"

00:09:17

Christine and I's date more spiritual really just tapping into your inner body to understand each other

1.4.5. Chris (Perfect Match saison 2)

Chris parle de son aventure au sein de l'émission Perfect Match avec le présentateur et donne ses impressions vis-à-vis de l'émission et de sa production. Ensemble ils abordent également les différences entre les diverses télérealités, la nouvelle vision de Chris concernant les relations amoureuses et d'autres anecdotes personnelles.

00:01:55

"I think they had their idea of what they wanted to happen and kinda were trying initialize that"

1.4.6. Xanthi (Perfect Match saison 2)

Xanthi parle de son aventure et des choix qu'elle a fait pour elle-même dans l'émission afin de rester fidèle à ses valeurs et à sa personnalité quitte à ne pas suivre ce qui était attendu par la production.

00:03:44

“Everyone goes on reality tv and they think like you have to do everything that they ask you to doubt it’s reality so everyone’s reality is different”

00:09:01

“After Perfect Match I just started expanding my horizon so I was like why not have a roster”

00:13:15

“What we do is not easy like putting ourselves out there getting vulnerable like for some people they live for this stuff but me myself I know how it feels to be scared to put yourself out there”

00:17:06

“I literally smelled it the minute I walked in, like you had Harry Jowsey which is Harry Jowsey, you have like some guy who’s 22 year old just got off squid game and like you know whatever he think he is, and then you have like de bad boy and then you have like little Izzy so it’s like you know people got to like actually pay attention who are we working with here and I went in like pure intentions so I just didn’t purely fill anything toward anyone right away”

00:30:17

“I was so proud to watch myself and be like ‘That’s me’ and like recognize myself”

00:30:53

“I don’t take any shit, I don’t sit there and do things I don’t wanna do or like I focus on things that really make me happy and be around people that I love and, you know, not like always the things they want us to do in this industry”

00:31:09

I would say afterwards, especially after Perfect Match I got a whole new self-respect for myself”

1.4.7. Jessica (Perfect Match saison 2)

Jessica parle de sa relation inattendue avec Harry, son match dans l’émission. Elle qui était venue sans trop prendre les choses au sérieux a fini par avoir de profondes conversations et développer une réelle connexion avec son match. Mais on sent qu’elle est toujours confuse quant à la véracité de cette connexion ou non.

00:26:12

“I’m just gonna go and have the Spring Break I never had. The reality of it is I’m just wanted to go and maybe make some friends and have a good time and go home”

00:26:29

“I was like you know, that’s fine if that doesn’t happen and I didn’t think it would because it’s not ‘Love is Blind’. Meeting someone out there and actually developing like a real feeling especially with who it was, I did not see that coming”

00:30:27

“They didn’t show that because that didn’t make good tv how well he actually did treat me and how mature he actually really was”

00:35:05

“For my own personal sanity I don’t wanna say that it didn’t come from a good place. I like to think that I have a better read on someone than to think that I could be manipulated in thinking something like that was real when it wasn’t”

00:45:39

“Truly, to me, watching it back and reflecting it, it was a trauma bond a 100%”

00:53:10

“I’ve experienced with him like before, during and after the show. I do not feel like I know him at all. I don’t know him enough. I’ve experienced so many different versions of him that I don’t know which one is real. And I don’t know if it’s for my own sanity that I wanna feel like what I experienced with him was real or if it really was or.. I don’t know”

01:29:52

“I wanted that success story so bad and then just having to kind of sit with the breakup like being hurt and you know watching him have the time of his life literally it was very painful”

1.4.8. Brittan (Perfect Match saison 2)

“Let me begin by saying that it’s reality TV and it’s not that serious”

“The men were just acting very misogyny and feral”

“We thought we could match with anyone so we actually matched together and then they send us out. And then we cried in the van for like one hour and talked to production, and were like ‘you don’t like us !’ ”

1.4.9. Chase (Perfect Match saison 1)

Dans cette interview Chase parle de pleins de sujets différents et quand il aborde le sujet de la télé-réalité il se montre très critique vis-à-vis du comportement de certains candidats. A

noter qu'il a lui-même été stratège et pas toujours juste avec les candidates mais il l'a toujours assumé.

00:23:52

"The drama of reality tv is just so ridiculous like I don't know about you guys I don't care how bad I am you'll never find me almost in my 30's sitting under a blanket crying or leaving a house crying. We got these grown men crying on national TV, crying on reality tv, crying on these dating shows and playing victim"

00:27:35

"Netflix has a job to create a show"

00:30:01

"It's not your fault anymore it becomes to a point where it's like you have seen me do this a thousand times and you still fell for it it's not on me anymore"

00:31:30

"What they have done essentially is being exactly like me but hide it in the sense of crying"

00:33:00

"When I go on a show, the person that you see on the show is not that much different from how I do things in the day-to-day life"

1.5. Alexa (Love is Blind saison 3)

00:12:36

"Brennon and I are pretty sure the only ones that applied for it."

00:18:35

"I definitely mentioned it at some point, I was just like 'Hi I'm curvier' "

00:19:13

"She told me that when Brennon was describing his perfect type, he was like 'I like you know a girl that like... Something that you can grab"

00:19:27

"He said 'I want a tall thick girl with black hair'"

00:24:17

"People really got to the head that I had Brennon converted or force him to convert"

00:25:33

"That hurt because people were being super anthisemetic and I would get very interesting dms"

1.5.1. Cole (Love is Blind saison 3)

00:09:27

"Netflix, think about it. What do they want ? They want a storyline, they want drama and they also want, you know, high lights and low lights so that's what they show. They show our worst moments"

00:09:38

"You guys saw us fight y'all saw me say stupid things and then you also saw our beautiful sweet moments of romance and laughter and joy and connection and cuteness, so it's like, you saw it all"

00:09:56

"Alexa said 'If you watch it it looks like he's a nice guy but just the things that I know he's not' So she was just mad that what she thought she knows about me wasn't shown"

00:11:29

"First of all, the reason everyone had something negative to say is because what they have heard from her, they couldn't tell me to my face what I had done"

00:12:04

"It's sad to me that most men who just wanna be themselves today, if you're with someone who is insecure it makes them feel like you're walking on them and it's an impossible scenario because like, wait, I don't have any ill will in my heart. I'm here because I love you, I'm with you because I want to marry you but I'm gonna be me, which means I'm gonna joke, which means I 'm gonna speak freely, which means I'm not gonna walk on eggshells, I'm just gonna be a human I'm gonna be Cole !"

00:21:46

"I guess I've gotten to the point where I'm just like I don't know if she's out there like I don't know if I will find that because I've, you know I've struck out twice"

00:25:56

"Netflix is doing their best to show the real you"

1.5.2. Zanab (Love is Blind saison 3)

00:02:16

"I'm super proud of my journey, I'm super proud of me, I stayed true to who I was through the entire thing so to not lose myself in something like that."

00:02:26

"I don't regret it at all, I don't regret who I chose or who I did that with. It got me to where I am now"

00:03:24

"It's wild there's 2 different sides of it like the negative and the positive but the positive feedback I got like there's so many women that have similar story and there's so many women that saw a lot of themselves in me"

00:03:42

"I've just got a lot of feedback just like 'Hey I saw a lot of myself in your relationship or I saw a lot of things that I've experienced in a relationship too like thanks for speaking up like thanks for giving us a voice and I will never ever regret being that voice for someone'"

00:06:43

"I think last week it was the shock factor like 'woah' you know... One of my picture before I turned my comments off had like 11 000 comments and some of them are just, they just don't deserve to be repeated because they are so ridiculous and they are so ugly"

1.5.3. Bartise (Love is Blind saison 3)

00:01:38

"It's one thing, going through the process, one thing dating blindly, becoming engaged, putting your faith into the experiment and it's like a completely opposite thing and different thing watching it back, watching yourself and see how you interact with you partner see how you fall in love see how you take criticism"

00:02:42

"I was casted at 25 years old and a huge part of the casting process for Love is Blind is 'why are you ready for marriage ?' And so they were all the producers and the casting agents concerning with my youth and I was just as honest as I could with it, I was like 'Listen, if you're gonna ask me why I'm ready for marriage I'm gonna tell you I'm not' "

00:03:03

"I've not met the person to put me in the mindset to where I can be like 'Yes I can spend the rest of my life with you'. So that fact make me think I'm not ready for

marriage, however, if I do meet that person I will not shy away from saying 'Will you marry me ?' "

00:08:16

"I mean a lot of comments that I feel like several people would probably be thinking but you don't need to say that out loud. I was just very honest the whole time and sometimes it came to bite me in the ass at some point but, you know I would rather be brutally honest than lying"

00:30:50

"Oh absolutely, a lot of things that were hurtful. I remember laying and, not laying but sitting up in that bed in our Bungalow in Malibu and explaining like, you know, the whole Raven/SK kind of sitting separately and like we're even getting a bunch of attention and stuff like that and I'm like 'What the hell am I saying'"

00:31:54

"Those little issues started kind of diminish the physical connection"

00:32:45

"I'm like 'I don't want to have to force it with my wife'"

1.5.4. Nancy (Love is Blind saison 3)

00:02:25

"After the wedding I took some time to just focus on my heartbreak and really find a way to process anything that happened it's almost like being on a roller coaster the entire time we were in a relationship"

00:02:47

"When they stop filming I really took a lot of time to just heal whether that was having, you know, emotional breakdowns in my car"

00:10:32

"I think like, especially in my 20's I really was such a people pleaser and it was always 'yes', it was always like I will break my back for whoever needs my my help and so much of this last 2 years since really I guess Love is Blind is, I've really tried to find there my boundaries are, hold them strong and that in itself is very empowering to me"

00:16:34

"This whole experience like Love is Blind, truly brought me and my family closer together like it got me and my dad to talk about conversations that we never would have had before about relationships, about us people, you know, us as Latinos"

1.5.5. Raven (Love is Blind saison 3)

00:58:55

"What you guys saw on TV was the person that I felt I was with, right. Someone who's so intelligent and kind and attentive to me and my best friend and in love like"

00:59:40

"I'm not giving myself excuses but I think a lot of women go through this"

01:00:02

"I think at a lot of points in our relationship, there were so many times were I was, and I don't know another word but, I was so confused because my intention and my actions were so aligned with how I felt like I was all in, I wanted to marry this person"

01:07:50

"It seemed after our wedding episode, you know, a lot of people started to like me a little bit more, they felt like I was being more genuine and you know everyone has a character arc"

01:09:43

"Producers would call me and just check on me or like, you know, at that point they were like, you know, what's happening ? And I'm like he only cares about his reputation like it did not matter what I was going though"

01:15:54

"You guys saw me I was never vulnerable on the show, I was always standoffish, I didn't really believe like, you know; I've never been someone who's like super receptive of love and I think, now, I'm just like I want just to go into something with 100% of my heart"

1.5.6. Matt et Colleen (Love is Blind saison 3)

00:04:09

"I actually had a great time in the pods, I look back at that time fondly so I wish that they would have shown more of our relationship" - Colleen

00:04:16

"Yeah I agree with that I think we had a lot of dates in the pods that kind of led up to where we were and then even once we get on vacations and once we got back to

Dallas there was a lot kinda showing us kinda growing with each other, our love story really unfolding that a lot of viewers didn't really get to see" - Matt

00:07:36

It was more like me being able to be there for her due to the public reaction and her being able to be there for me due to the public reaction" - Matt

1.5.7. Ben (Love is Blind saison 8)

00:08:35

"I was vulnerable in the pods. I wasn't just telling Sarah what she wanted to hear and even watching it back, the way that it was edited made me be like 'What the heck did she even say yes to me when she proposed ?' Because it's seemed we are so different on those issues"

00:09:30

"The LGBTQ part of it, I always have been, you know, a supporter of them. As you saw in the friend meet-up one of my best friend is gay and I went into the pods and I told Sarah that at one point, and they didn't show it because they wanted to make the divide bigger so that was more dramatic"

00:10:05

"And then the thing that I didn't really have an opinion on was obviously the Black Lives Matter and the George Floyd stuff. And that was really kind of a part of my life that was a struggle because I have two black cousins, a black uncle that I saw, were affected by kind of the treatment of police officers were to George Floyd and everything like that but on the other side I have cousins that are also police officers"

00:10:31

I had seen their conversations get very heated and not very productive and I saw feelings be hurt and so, for me it was always 'I'm gonna stay out of out of it, I don't wanna hear anyone's feeling, I don't wanna say the wrong thing"

00:10:49

"I think supporting, you know the people that are more or less not represented in this country is something that me as a white person who is represented need to take hold of and use that kind of platform and especially the platform that Love is Blind has given me now to be able to kind of fend for them and support to kind of communities"

00:12:49

"It's frustrating that they made it seems like such a divide between Sarah and I even though we were on kind of the same belief system and same wavelength but it is, you know, it is TV at the end of the day"

1.5.8. Maddison (Love is Blind saison 8)

00:02:39

"Then coming into the reunion when they were like one after the other after the other after the other... Crazy. And it was frustrating for me because I sat there like having to defend myself so much"

00:11:38

"They really wanted to give this really dynamic edit of like 'Oh she's really pure and deep with this one guy but then she's talking about cream pies and twerking with this other guy"

00:12:56

"I'm very sex positive and people are like 'Oh like you talk about saving yourself for marriage' that was I grew up in and I've learned to stop shaming myself when it comes to sex"

00:15:24

"Honestly I don't understand where I was manipulative because I genuinely like with my heart the whole time and I was really honest with the way that I felt so I think people are taking my blunt honesty as me trying to manipulate the situation"

00:22:02

"Genuinely I don't like blonde men often or ever, because I feel like blond is like for girls"

00:29:02

I think there need to be more representation of queer love on all spectrums as you said on Netflix

00:29:23

"Obviously they didn't include my talk about being bisexual and I think, probably because it wasn't that juicy"

00:29:27

"The men that I told they be like 'okey cool, anyway' like it wasn't a devil situation"

1.5.9. Sarah (Love is Blind saison 8)

00:05:04

« Me watching it back I'm not regretting anything that I said or did. »

00:05:08

"It brings me back to how mentally split I was, and just feeling so confused and like my emotions were involved, my thoughts were involved like trying to figure out the situation and like the person I was involved with also knowing it's a TV show, they are trying to produce something that's entertaining so it's like 'okey what can I trust, what can't I trust"

00:11:42

"I've definitely grown away from religion, I can't see myself going to church but I went to private schools when I grew up, I went to a Jesuit college and I know like it is a good foundation for people"

00:12:25

"I'm just the kind of person like I'm really open to different kind of people"

00:39:16

"It's such a natural instinct to want to defend your character but also like I don't need to try to convince people of who I am, I know who I am and it's like the most important part"

00:39:26

"It's very easy to question like second guess yourself when you're seeing constant negativity online but that's part of the process"

1.6. David (Love is Blind saison 8)

00:02:34

« I've done a few podcasts, interviews. People started seeing me for me and really understand me a little more so it's been a lot better but now the other guys are getting some hate and I'm tryna help them with what I already went through so it's been a lot"

00:11:58

"The way it is shown it makes it look like 'Dave watch the fuck' and I've never meant to come off that way like and again that was another joke that did not translate well on camera"

00:27:18

« I think overall yes, honestly I think from the beginning to end, my storyline in general, I think a lot of people kind of gloss over all the stuff I shared in the pods"

00:27:33

"I thought more people honestly would relate to me just being honest"

00:27:57

"I thought people would relate to that but they just used it against me"

00:35:34

"The couples that get married through this are so genuine it's like it's crazy I feel like their connection is so so strong, so genuine and some people are there just like be on TV, be a girl girl, go through all this and just start drama"

00:40:01

"I wanna be showing people who I actually am in person outside of you know the cameras and the show I really wanna get out as much as possible and show people I'm just a human being"

1.6.1. Virginia (Love is Blind saison 8)

00:00:51

"I did a lot of therapy, working on myself, just a lot of reflection"

00:03:29

"I think like I already have my guard up in life I'm already not a person that opens up when I meet people so I got very vulnerable through the process and opened up a ton, so the way it ended, I think that like it was a little triggering because des goes my trust issues"

00:09:23

"Once we got engaged I learned more about his beliefs in general that we didn't talked about in depth in the pods"

00:11:08

"Very specific feelings about the LGBTQ community and people of other religions and to be honest with you I think Devin was taught theses things growing up and unfortunately he hasn't questioned any of these things"

00:15:53

"Watching it back I know I was on a protective mode but I hate being associated with it at all"

00:16:01

"I think naturally as a black woman we protect black men I love him it was another thing but ultimately I wouldn't get on a TV show and dragged a black man"

00:36:12

"I think what we learn here is again that the most unprotected demographic is the black woman"

00:37:01

"We have the highest Somali demographic, we have the highest Mone demographic, it's pretty diverse. So it was unfortunate that there wasn't much diversity in the cast."

00:37:12

"I think that there were 4 men who may have identified as black men so 2 African men and 2 biracial men. There were more black women, there were 5 black women but the black men on the cast have said that they usually date white women."

00:37:35

"Devin in the pods told me that his type is Alicia Keys. So I'm like okey well he probably going to like me cause I fall into that a little bit but later I found out very much that he normally dates white women"

00:38:09

"I think after the first date tough I did go in and talked about faith and I talked about wanting kids and it's interesting like the cultural filtration around those things cause I think I lost a lot of white men in that part of of the conversation cause I don't know if it's a culture disconnect but I think they heard 'conservative' when I said that"

1.6.2. Lauren (Love is Blind saison 8)

00:09:38

"I've never been in like toxic relationships before in terms of romantic partners or friendship and family like that's just never been I've always been able to communicate through something and that's why it was so frustrating for me too because I was like 'You don't even been giving me a chance to communicate'"

00:12:48

"I was hearing stuff but I didn't care enough. I don't know why I would have been like 'I need to know every bit of your sexual history that did not matter for me but it did matter to him'"

00:26:02 - 00:26:14

"I think it's very Minnesotan" "I think it's just very like Midwest nice in a lot of ways, there's not a lot of direct communication, I mean, you see us how many times we say at the reunion the word 'miscommunication' but I think it's just 'indirect'. No one's really saying how they're feeling"

00:29:38

There's like almost this expectation like men can sleep around and not get emotionally attached and it doesn't affect their relationship but like here I am telling him I had this this physical connection but not this emotional connection and it doesn't matter in terms of this relationship and that was mind blowing"

1.6.3. Taylor (Love is Blind saison 8)

00:40:23

"I think the majority of me feels like it's been really easy. Again we're just best friends we communicate very well and it's been so surprising"

00:44:00

"I've said in the show too that I've never laid this foundation for a relationship before and that's speaks volumes cause I've had some pretty big relationships before"

00:48:00

We did keep each other doors open and entertain those conversation but it was always clear to us that we were each other's person"

00:50:34

"I feel like the entire dating world is superficial it is that's just the way it is. People have talked about Daniel talking about his height so much but that is a very big issue in the dating world today. A lot of women are saying they don't want someone that yeah... They don't want a short king"

1.6.4. Daniel (Love is Blind saison 8)

00:41:33

"I was a little bit nervous because I had been single for a long time before going on the show and so it was a big jump, you know,, I knew I was really for it, I wouldn't have gone if I was not ready for it but there are little things that you can't really plan for day-to-day just different you know things that are different from when you were single to now you're married in such a quick time"

00:48:08

"Yeah I think it was important just to go through the whole experiment and you know with like keeping the Integrity of what it is and trying to date other people and see if there's something there so that at the end of the day you know I pick you and you pick me and you know that I tried it with other girls and it just wasn't there"

00:50:58

"Yeah I mean, every dating app has the age range and the height range which is like which is like, I mean, I get it and I talked about like, you know, there's a girl out there who need someone or preferred someone six feet then that's not my person anyways"

1.6.5. Molly (Love is Blind saison 8)

00:06:50

"I think he just heard specific things and was like teacher, serious, dancer, not serious, and I get it I will say I tend to lean into my serious side more often especially when I'm dating and and I don't know if that's, you know, the perfect way to handle things but that's the big part of my personality is like I do like to have fun"

1.6.6. Monica (Love is Blind saison 8)

00:11:46

"Joey and I had all of those conversations as well and we matched on everything. I've said this before, like on paper, we were matching completely"

1.6.7. Meg (Love is Blind saison 8)

00:11:27

"So to that point, I do feel like the experiment did work for us because I think that in the real world if I would have meet Mason I wouldn't have just based on looks I wouldn't have gone there"

00:11:48

"He's just not my go-to-type in the real world"

00:17:19

"You know, watching it back was like a mirror which I wanted because not a lot of people have the experience to watch themselves on TV and see what you like about yourself and what you don't like and I've always been a very enthusiastic, high energy person, but watching it back was like 'I need to take a chill pill'"

1.6.8. Mason (Love is Blind saison 8)

00:16:38

"For me one of my biggest fears was I'm an editor, so I know like what they can do like, oh, they can cut this little part out or end this conversation here and mislead the audience with that stuff so when I was watching it back like my top thing was like 'Okay I'm relieved it's actually me being in there, being myself'"

01:04:45

"I do not watch reality TV. I had never heard of the show until I was reached out to by a recruiter to actually apply for it"

1.6.9. Brittany (Love is Blind saison 8)

00:15:19

"I dated all kind of races : Indian men, African men -those are my favourites"

00:18:25

I was like 'This could be a little easier having this like really concentrated time to connect with someone without a phone, no interruption, people are joining this experience, I was under the impression that people joining this experience to get married and in the same state of mind I was in at this point"

00:23:12

"I've been celebrated, supported and been uplifted my entire life you know, even within my bubble like, without the world knowing who I am or anybody that has watched the show, I've always been revered as 'Oh you're intelligent, you're beautiful, you're doing it"

00:24:23

"Black men here, I think they look for, they look to white women and I don't know if it's associated with the traumas or whatever, I don't know !"

00:24:33

"Black women are certainly overlooked. And it's so many black people here. There's so many black women here. It is a full Somali. This is the second largest somalian population outside of Somalia."

00:26:16

"Devin specifically said that his type was Alicia Keys you look at Virginia she is second looking like you know definitely think that. But then you get in vacation and he tells her 'Taylor is my normal type'"

00:45:37

"Historically it has just been a taboo right and you didn't know a lot about it, it was always this undercover thing, you know, going all the way black and especially in the black community and in the black church community"

00:49:03

"So with Devin again a lot of things were familiar, nice guy in the pods and everything but I was picking up on a lot of things. Silence is very loud. When we were talking about politics, we were talking about 'Okey what would you do if your child was in the LGTQ community ?'"

00:49:26

"And the things that I was asking was definitely alluding to 'Well you're way more conservative than I would like for my husband to be'"

00:50:35

"Devin was only 28 years old at the time, I was 34 so I'm like 'Okay this would be a situation, which all happened out to be with Virginia as well, you know a situation where I'm holding this relationship'"

00:56:45

"I don't think a lot of the guys came on the show for the right reason"

01:06:26

"I cannot expect for a 50+ white man or whatever white this man or producer to tell our stories authentically anybody"

01:28:00

"Mo calls me and I can hear his voice like cracking and I'm like 'what like say what's going on'. I'm like 'say just what you have to say' and he's just like 'I just don't think I can get there with you, you know like I've never really dated a black woman'"

01:29:22

"It was hurtful in that moment just to realize that like stamp of clarity that it's just been the case in Minnesota or and not even just in Minnesota, it's not not at all but a lot of black men right that self-hate is very real."

1.7. Joey (Love is Blind saison 8)

00:11:40

"I had gone to therapy so I understood a lot of depth to myself and because I struggled with that in my 20's. I wasn't very good at opening up and being vulnerable with someone, so I wanted to go through that therapy so I was really in my 30's and really for marriage"

00:06:11

"16 people, so 16 girls, 16 guys. You go into this pods and you date and the first date for like 10 minutes so you're basically and then you rank them 1 through 16"

00:35:16

“They asked me to go on Perfect Match which is like the show after Love is Blind. I denied them because I was like ‘That show doesn’t look like my vibe’”

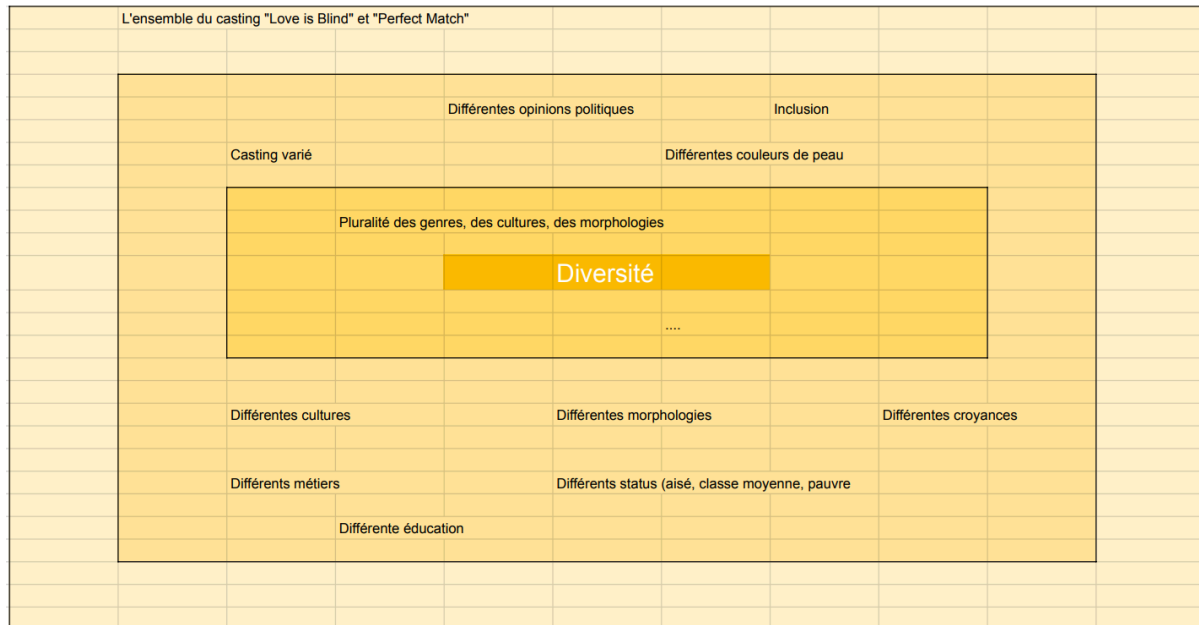

00:35:42

“I don’t know if I would do a dating show again honestly. It was intense, that was a lot and especially like with the hate that come with it”
