Article/ type	Examples
Kamala, in short, promises to hurt average Americans even more than her boss Joe did. Opinion	- When asked how she is going to pay for her lavish spending plans, the vice president explained that it would be covered via those indispensable fiscal tools — pixie dust and magical thinking. - Clearly, someone mentioned “return on investment” to her in a policy briefing somewhere along the line, and the phrase stuck. Now, Harris apparently thinks she’s the Warren Buffett of deficit spending. Like any huckster working in a boiler room, Harris is hoping to find people credulous enough to believe what’s too good to be true. -
Untested Harris is repackaging Biden’s failures — a recipe for catastrophe Opinion	- That is, Kamala Harris’ greatest electoral advantage is a quality that sets her up for failure if she ever becomes president — she’s untested. - Untested Harris is repackaging Biden’s failures — a recipe for catastrophe - Harris’ resume is slender: Her highest achievement is serving as apprentice in the ill-fated Biden administration. - Kamala Harris isn’t an outsider: She’s the junior partner in the incumbent administration, with all the drawbacks of the Biden record, yet without Joe’s decades of testing and experience- She isn’t a change candidate — she’s the status quo candidate.

Kamala Harris supports 28% corporate tax rate after pushing for even more in failed 2020 campaign Politics	- “I think it’s a mistake for any person who talks about public policy to not critically evaluate how you measure the return on investment,” Harris dodged when answering a reporter in Moon Township, Pa., on Sunday about the total price tag, which would nearly double the projected 2024 budget deficit.
Kamala Harris turned down debate on Fox News, Trump says US news	- Earlier this month, she appeared hesitant to accept the Fox News debate but open to the NBC News one.

Kamala's Tools to Fix Broken Economy: Hammer and Sickle Opinion	- Let’s keep in mind that just as Kamala failed dismally in staunching inflation of illegal migrant numbers as our nation’s border czar, any new role as economic czar is fated to turn out no better. - Let’s keep in mind that just as Kamala failed dismally in staunching inflation of illegal migrant numbers as our nation’s border czar, any new role as economic czar is fated to turn out no better. - As Biden-Harris inflation has made homes unaffordable for most young families, Kamala’s “solution” is to provide “free” federal taxpayer funded subsidies such as \$25,000 in down-payment assistance for “first-time” home buyers that will merely drive home prices higher. - Kamala personally deserves much accountability for year-over-year seasonally adjusted consumer price index (CPI) ratings that averaged 5.7% under the Biden-Harris administration compared with 1.97%

	under Trump with 1.97% under Trump.
Harris's Brand of Socialism Won't 'Reform' Economy Opinion	- But she fails to understand that the very profit motive that she condemns is what makes businesses self-regulating.

1.2.1.2 Propriety / Veracity (Moral and ideological evaluation)

New York Post

Title/type	Examples
Kamala Harris wants price controls to pretend it's not her fault you can't afford groceries Opinion	- The data prove Harris and her team are (as usual) lying. - As will Harris' equally moronic idea to give up to \$25,000 in "down-payment support" to first-time homebuyers — because that's in effect nothing more than a \$25,000 gift to current homeowners looking to sell, and will in turn fuel yet more housing inflation.
Kamala Harris snubs the Obamas by leaving Chicago for Milwaukee before they deliver DNC keynote speeches Politics	- With former President Barack Obama and his wife, Michelle, headlining night two of the Democratic National Convention, Kamala Harris left Chicago and traveled north to Wisconsin to address an almost-capacity arena audience and hold a DNC watch party with rally attendees — an obvious snub of the pair, who took their time in reluctantly endorsing her.

Harris Can't Hide Like Biden - Especially on Foreign Policy Opinion	- Kamala Harris ran away from the disastrous Biden/Harris national security record during last night's debate. - It was clear throughout the debate that Kamala Harris was evasive and ran

	away from the Biden/Harris administration's appalling national security record which has made the world much more unstable and dangerous than when Donald Trump left office in January 2021. - Harris completely avoided taking responsibility for the disastrous U.S. withdrawal from Afghanistan in 2021, even though she claimed she was "the last person in the room" when Biden decided to withdraw - Our nation's vice president claimed their record was successful, blamed President Donald Trump for foreign policy setbacks since 2021, and gave little indication of what she would do to promote U.S. national security interests as president.
Is Harris Housing Plan Assistance or Reparations? Opinion	- Now Harris, the Democratic presidential candidate, appears to be having an expedient change of heart — known as a flip-flop — to broaden her housing policy's appeal. But she's not abandoning her racial equity goal entirely. - Now Harris is flip-flopping, as she has on fracking and illegal immigration. But what would she actually do as president?
Harris' Suggestion That Poland Could be Next If Ukraine Loses the war Resonates with Poles Global talk	- "Just empty words," she scoffed, pulling a grocery cart as she did her morning shopping in Warsaw, a capital that, like cities in Ukraine today, was bombed to near destruction during World War

1.3.1.2 Propriety / Veracity (Moral and ideological evaluation)

New York Post

Article/ type	Examples
Kamala Harris' freshly released policy ideas are a joke Opinion	- That is, she's still pretending away the actual trigger of recent sky-high inflation (the reckless Biden-Harris <i>Post</i>-COVID spending) by blaming corporations for (mysteriously) getting extra-greedy once the Democrats took over.

Kamala Harris once again touts Goldman Sachs' review of her economic plan – after firm's CEO dismissed it Politics	- At the campaign event, Harris also misrepresented Trump's positions on several policy issues, claiming the GOP nominee for president "intends to cut Social Security and Medicare" and will use the Heritage Foundation's Project 2025 as the blueprint for his administration.
Kamala Harris owes voters an explanation for her string of extraordinary reversals Opinion	- So we've been through an entire debate, and Kamala Harris still hasn't explained any of her extraordinary policy flip-flops. - "Though, to be fair, flip-flopping on an appeal to emotion is never easy. - Kamala Harris owes voters an explanation for her string of extraordinary reversals - Kamala Harris" is an empty vessel to be filled with the aspirations and dreams of gullible partisans.
